

God in Full View in North Dakota

... *encouraging and hopeful stories in and around the Eastern North Dakota Synod*

Much of the work of the EaND Synod of the ELCA is to “plant seeds”. Often we are unable to see the fruit of the seeds planted. Every now and then, we get an opportunity to see God’s tending to those seeds blooming in full view.

*Thank you to those of you who have shared stories with us. We encourage all of you to share an **encouraging story of mission or ministry** within your congregation. Please email them to Kristi at kristi@eandsynod.org*

All around this synod and beyond we recognize there are many stories of “hope”. This is an attempt to share short stories in eQuip. We will also include more stories in our quarterly newsletter.

Thank you from Rev. Golike, Central African Republic

Dear friends in Christ,

Let me share the joy of my people and pastors here with you. Central African Lutherans are so amazed for what you have been doing for the Lutheran Church here so far. But what is going on now is most amazing: new church roofs are put and District Pastors come to love more their ministries among their congregants because of the motorcycles you have offered. They are so grateful and want to acknowledge it. We hope that it will continue for the glory of God. May the heavenly Father bestow His divine blessing upon everybody.

Rev. Andre Golide, President de l'EELRCA

God in Full View.
