

# **m&m's** in the C.A.R.

**(mission & ministry in the Central African Republic)**

Join this creative and sweet way to help your brothers and sisters in Christ in one of the poorest countries in the world. It's as easy as **1...2...3...**

- 1. Enjoy this sweet treat of M & M's. Yum!**
- 2. When the tube is empty, consider filling it with quarters. Each tube holds \$14 worth of quarters (a one, five, twenty or even a hundred dollar bill also fits into the tube when rolled up).**
- 3. Return the re-filled tube to your church.**

The money from these sweet tubes will make a significant impact in the lives of people in the Central African Republic.

\$14 times 100,000 members  
(in the Eastern North Dakota Synod)  
would generate \$1,400,000!

**God's work. Our hands.**
